What is Marriage Boost?

Marriage Boost Inc. is a non-profit organization dedicated to giving married couples a "boost".

We've seen lots of marriage retreats that are really heavy with lots of conferences. Those are great, but it's just not us. We saw a need for a light, fun retreat for married couples, something that would give marriages a "boost" without being too heavy. That's exactly what the Marriage Boost retreat does. It was also our desire to not limit the retreat to members of just one church. Our desire is to bring believers together. Last year, couples from 14 different churches and 6 different denominations attended. The retreat is also a great opportunity to invite those who do not attend a church. For more information and to see the fun we had last year, visit us at

or email us at

OUR SUPER SPEAKER

We are very excited to have Pastor Phil Whetstone back as our retreat speaker. Pastor Phil is the senior pastor for Colonial Woods Missionary church in Port Huron, one of the largest missionary churches on the Michigan

district. Pastor Phil has a great passion for communicating the relevancy of God's Word in our lives today. He and his wife, Tammy have been married since 1987 and they have 3 children. We know you will enjoy his humor & great insights about marriage.

We may not be faster than a speeding bullet and we may not be able to leap tall buildings in a single bound, but with God's help we can all have

SUPER marriages!
